

## Antonello Scrimieri

Graduated in Business Administration from the University of Bari Aldo Moro (cum laude), he is enrolled in the Order of Chartered Accountants, in the Register of Statutory Auditors and is the Office Technical Consultant of the Court of Taranto.

He mainly deals with tax, accounting and corporate consultancy, assisting, in ordinary and extraordinary operations, leading national and multinational groups operating in various sectors, including that of transport systems and public utilities. He has gained significant experience in tax matters in the banking and financial sector.
