

Francesco Pepe

Born in Pagani (SA) on 5 December 1978.

In 2002 he graduated in Business Administration from the “Parthenope” University of Naples.

In October 2003 he completed a Master in “Audit and Administrative Management” lasting one year at the “Parthenope” university of Naples in collaboration with the Ernst & Young Business School, at the end of which he began his work as an auditor at Ernst & Young in the “Insurance” sector where he gained, as a senior manager, significant experience in auditing separate and consolidated financial statements of listed and unlisted companies, as well as in consultancy projects for Italian and foreign companies operating in the industrial sector and in the “public” sector.

Since 2007 he has been qualified to the Order of Chartered Accountants and Accounting Experts and since 2008 in the Register of Statutory Auditors.

In June 2017, he started his experience at Pierrel S.p.A. in the Administration, Finance and Control area, as staff to the General Manager and Chief Executive Officer.
